

A 90-DAY GUIDED JOURNAL

THE WILDHEART JOURNAL

90 days of building something
that's yours.

WILD. FREE. WHOLLY YOU.

THIS JOURNAL BELONGS TO

BEGUN ON

BY AMANDA CARMICHAEL

THE WILDHEART COACH

amandacarmichaelcoaching.com

Burn bright, not out.

You didn't come this far to build someone else's dream.

Wildheart isn't loud. It isn't reckless. It's *unbroken* — the part of you that's still here under the full-time job, the tiredness, the dream you keep moving to next year. Still yours. Still wild at heart.

This is for the woman who trained, who qualified, who knows she's meant for more than the safe version of her life — and is quietly terrified that building something of her own will cost her everything she's got left. Here's what this journal believes, and what it will keep reminding you:

You are not behind. You are not too tired. You are not unqualified. You are a woman building something free — on your own terms — and you are allowed to want that.

The work isn't more hustle. It's the quiet, brave work underneath — deciding who you are, and becoming her. That work can't be done inside your own head, circling. It has to come out, onto the page. That's what these 90 days are for.

Burn bright, not out.

THE PATH THESE 90 DAYS FOLLOW

The WILD Method

This journal isn't random. It moves you through the four stages of building a coaching business that's truly yours — the path that spells the work itself: **WILD**. You'll feel the focus shift roughly every three weeks.

W **Where you're at** · Days 1–22

Get honest about your ground — who you are, what you want, where you actually stand today.

I **Identity** · Days 23–45

Become the one they choose — the story only you can tell, the self you stop hiding.

L **Lead** · Days 46–68

Own your offer, your voice, your worth — boundaries, self-trust, showing up on purpose.

D **Deliver** · Days 69–90

Get out there and get booked — invite, enrol, and let the freedom you're building become real.

Five minutes twice a day. Ninety days to yourself.

Morning • 5 minutes. Open here before the messages, before the to-do list, before anyone needs anything. Your win reminds you that you're already moving. Your focus sets direction, not pressure. The open space is yours — think, plan, dream, or just clear your head.

The quote. Each day carries one line — some from women who built before you, some from me. Read it slowly. Let it land. Then go and live your day.

Evening • 10 minutes. Getting what's in your head onto the page before sleep moves it out of your nervous system, so your mind stops working overtime and you rest. Brain-dump without judgement, name one honest reflection, and close with one thing you're grateful for.

Ninety days isn't a magic number. It's a commitment — long enough to see yourself change, short enough to stay with it. By day 90 you'll have written your way into a clearer, braver version of who you're becoming.

Use it honestly. Write the messy things. Write the ambitious things. Write the things you haven't said out loud yet. That's where the building begins.

DAY 90 AND BEYOND

Look how far you've come.

Ninety days ago you opened a blank journal. You've written your way through where you were, who you are, how you lead, and how you deliver. You are not the same woman — and you were never behind. You were becoming.

If you're ready to turn this quiet work into a real, booked-out coaching business — built on you, without burning out — that's exactly what I do inside **Rising Wildheart**.

Freedom isn't found. It's built — decision by decision. You just made ninety of them.

Burn bright, not out.
